

Bybit Privacy Policy

This document details how Bybit, managed by Friendz Enterprise SRL, with its legal headquarters at Via Bianca di Savoia 17, 20122 Milan (MI), VAT ID 10736940965, and email address bybit.help@friendz.io, collects, uses, and protects the Personal Data of its Users in relation to the Bybit referral program.

Data Controller

Friendz Enterprise SRL, as the Data Controller, adopts all necessary security measures to protect Personal Data from unauthorized access and to ensure proper data management in compliance with current regulations.

Types of Data Collected

To participate in the Bybit referral program, Personal Data such as email address, name, surname, unique referral ID, Telegram account, and cryptocurrency wallet address are collected. These data are necessary to ensure correct attribution of rewards and to communicate with Users. Usage Data from the site may also be collected to improve user experience.

Methods and Location of Data Processing

The processing of Personal Data is carried out through computerized and/or telematic tools, with logic strictly related to the above purposes and is carried out both at the headquarters of the Data Controller and in any other places where the parties involved in the processing are located. The transfer of data outside the EU, if necessary, will be carried out in accordance with the guarantees provided by law.

Purposes of Data Processing

Bybit Privacy Policy

The Data collected in the context of the Bybit referral program are used to manage the program, allocate rewards to participants, improve the service offered, communicate with Users, and for legal purposes in response to requests from competent authorities.

User Rights

Users have the right to access their Data, verify its accuracy, request its update, correction, deletion, and oppose its processing for legitimate reasons. Additionally, they have the right to request data portability and to lodge a complaint with a supervisory authority.

Additional Information on Data Processing

Users can request more details on data collection and use practices by contacting the Data Controller at the provided email address.

This Privacy Policy is subject to changes and updates; Users will be informed of such changes through the website or by email, if available.
